BUY-SELL FAILURE TO SURVIVE

BUY-SELL FAILURE TO SURVIVE

Any business with two or more owners should seriously consider having a buy-sell agreement in place. Once the buy-sell agreement has been established then there is the important need to provide a mechanism for funding the transfer of ownership should something happen to one of the owners. It is the unexpected situation of a premature death or disability which normally is the cause for alarm. The firm's assets are at risk and it is the job of the Buy-Sell Failure to Survive Plan to provide a solution to this situation.
